

New Mexico State University

Enrollment Preferences Survey

Spring 2013

At New Mexico State University, Graduation is Goal #1. Getting the courses you need for graduation when you need them is an important step toward graduation. This survey is asking YOU when and how you would like your courses provided. The more information you can provide through this survey, the more responsive NMSU can be in providing courses when you need them.

By completing this survey, you will help us understand your needs regarding course scheduling, and you also have the opportunity to win one of two iPad Minis or one of five \$25.00 Barnes and Noble Gift Cards. Because this is an anonymous survey, you will need to provide your contact information (name and email address) at the end of the survey to be eligible for the drawing. Your contact information will NOT be associated with your responses to this survey and will be accessed only for the drawing!

If you have any questions or concerns regarding your rights as a participant in this anonymous survey, please contact the NMSU Compliance Office at 575-646-7177. If you have any questions regarding this survey instrument, please contact the Office of Institutional Analysis at 575-646-1720.
