

NEW MEXICO STATE UNIVERSITY

[QUICK FACTS]

2024-2025

Office of Institutional Analysis

Delivering Solutions. Creating Change.

As New Mexico's land-grant institution, we are a comprehensive research university dedicated to teaching, research, public service and outreach. We are a global community of talented students, faculty and staff engaged in research and creative activities that positively impact the lives of our citizens. Our renowned faculty and researchers seek fresh solutions to the challenges of today. Relevant hands-on opportunities mean our students are job ready when they graduate. As a NASA Space Grant College and a Hispanic and minority serving institution, we are proud to work alongside our many partners as we shape the future of New Mexico.

- Ranked as a **TOP-TIER UNIVERSITY**, U.S. News & World Report Best Colleges for 2025 National Universities
- Among the **TOP 4%** of global institutions, Center for World University Rankings, 2024
- NMSU Global recognized **AMONG THE NATION'S BEST**, U.S. News & World Report Best Online Programs, 2024
- Among the **TOP 6%** in economic mobility, Economic Mobility Index
- **A TOP 100 INSTITUTION** for Hispanics, The Hispanic Outlook on Education Magazine, October 2024 issue

COLLEGES: Agricultural, Consumer and Environmental Sciences; Arts and Sciences; Business; Engineering; Health, Education and Social Transformation; Honors; Graduate School.

COMMUNITY COLLEGES: Academic, vocational/technical and continuing education programs at our community colleges in Alamogordo, Doña Ana County and Grants.

NMSU GLOBAL: Provides flexible, affordable, online education designed to meet the needs of today's learners. With over 70 accredited degree and certification programs, as well as skill-focused microlearning courses, we empower adult-learners and professionals to gain cutting-edge skills for tomorrow's careers.

COOPERATIVE EXTENSION: With educational and administrative locations in every county, we continue to provide the people of New Mexico with practical, research-based knowledge and programs to improve their quality of life.

RESEARCH: Our strategic research areas of strength address global challenges with local implications.

- Added Value Agriculture
- Additive Intelligent Manufacturing
- Aerospace (Hypersonics)
- Artificial Intelligence
- Biomedical and Health Sciences
- Renewable Energy
- STEM Education and Workforce Development
- Water

As of Spring 2025, NMSU will be classified as an R1: a doctoral university with very high research activity by the Carnegie Classification of Institutions of Higher Education. The university is ranked in the top 18% of all institutions in terms of federal research and development expenditures and eighth in research expenditures among High Hispanic Enrollment Institutions without a medical school by NSF Higher Education Research and Development.
